### ***Commenting on the results and performance, Mr. Anirban Chakraborty, Managing Director said:***

*"It has been one of the most challenging year for the NBFC sector. The tightening of liquidity, all across downgrade of ratings and defaults across sectors has impacted the Indian financial sector. We at TFCI have been able to show a 13.37% growth in our Interest Income and Profit after Tax grew by 11.32%. Our ratings have been reaffirmed by various agencies. The asset quality has also shown improvement on sequential Q-o-Q basis. We expect to continue our growth journey on account of our strong business model, positive ALM and robust capital adequacy ratio.*

*Post the divestment of IFCI, our Company is now looking forward to go beyond tourism financing.*

*We at TFCI are looking at TFCI 2.0 : Diversifying for Growth.*

*The Company will be looking at various financing options for the SME sector, Acquisition financing and also set up a separate subsidiary to pursue Investment Banking practise to enhance the fee based incomes."*

## **About Tourism Finance Corporation of India Limited (TFCI)**

TFCI is an all India financial institution engaged in providing financial assistance primarily to tourism related projects besides financial assistance to other sectors. The main objective of TFCI is to expedite the growth of tourism infrastructure in the country by providing line of credit on long term basis to tourism related projects in the country.
